

## **Enterprise Ireland's High Potential Start-Up Showcase**

Pic:Fennells

**Pictured at Enterprise Ireland's High Potential Start-Up Showcase in Leopardstown, Dublin are (L-R) : Vincent Lynch, CEO of Donseed Ltd, Jerry Moloney, Enterprise Ireland Regional Director for Mid-West, John T. O'Sullivan of Bioatlantis Ltd.**

**Enterprise Ireland** supported 79 new export-focused high potential start-up companies (HPSUs) in 2007. Over the period 2008-2010, the 79 HPSUs are expected to generate exports worth over half a billion euros and to create over 880 new highly skilled jobs. 11 of the 79 companies are located in the Mid-West, with 2 Kerry based companies including Donseed. <http://www.enterprise-ireland.com/StartBusiness/>
